Attn: Brenda Wilson

Subj: Request for Cost Proposal for proposed Task Order 0076, Modification 06: LOW LEVEL RADIOLOGICAL WASTE (Ra-226) GENERATION EVALUATION, VARIOUS BRAC ACTIVITIES - ADDITIONAL EFFORT.

It is requested that you submit a cost proposal for the work listed in the attached Performance Work Statement (unless additional cost is not required). Your proposal must explain your approach in sufficient detail to justify your proposed costs (if any). All applicable elements of (possible) costs, including a description for each labor category proposed and DOL wages with the wage determination number referenced, if applicable, should be addressed with detailed supporting documentation attached, particularly for any proposed subcontracting effort.

Please submit your proposal electronically to Elizabeth Corder, Contract Specialist and Leah Alejo, COR by 25 August 2011. If there are any questions, please do not hesitate to call or email.

Thank you.
